### 6.5 - COMUNIÓN DEL TRABAJO. EL LIBRO DEL SISTEMA SOLAR (2026)

*Penetro y elaboro los Símbolos eternos*

\*

Este primer año de la *Década de la Síntesis* es, en el Lambdoma, el *Quinto año* del *Sexto septenio* (2022-2028) desde que se asumió la energía informante del Sexto Rayo del Idealismo abstracto como Energía primaria para sembrar *los valores e ideales* de unas nuevas Cultura y Civilización y de una *nueva Religión mundial*:<sup>3</sup> una cualidad reunificadora, sintética, abstracta hacia la Esencia, propia del **Mundo de las Ideas** o de las Causas.

La nueva Cultura contiene en sí misma aquellos *ideales* o *valores* esenciales que constituyen el núcleo vital e interior de la futura Civilización. Estos arquetipos están contemplados en los Símbolos eternos del **Espacio** y de la **Manifestación**, pero es necesario presentarlos en forma de *nuevas visiones y fórmulas* asimilables por la mentalidad humana general.

Estas *nuevas Banderas* tienen el poder espiritual de unir los corazones para escribir las páginas del gran Libro del futuro, el de la **Comunidad planetaria** y la **Hermandad universal**.

El Vórtice **6.5** es la Relación ígnea que *reúne a muchos* en la intención común, une la forma con la esencia, los símbolos externos con los internos, *al que lee con el que escribe*.

«La energía del sexto Rayo tiende por naturaleza hacia arriba y hacia dentro; de hecho, explora los significados (internos) que conducen a las Ideas. La del quinto Rayo, por el contrario, tiende hacia fuera y hacia abajo: construye los dualismos formales que manifiestan las Ideas. ... La relación entre las energías del sexto y del quinto Rayo es admirable por su eficacia. ... Es factor de tenacidad, resistencia, recuperación, victoria. Transforma la forma, que es una prisión, en una morada luminosa y ligera, en un instrumento de revelación, capaz de comunicar la alegría

del ser y multiplicarla hasta el infinito. La búsqueda del hombre se dedica al principio a la forma, que durante mucho tiempo se entiende como la única realidad, luego se reconoce como una ilusión y finalmente se vive como esencia. Por el juego sublime y recíproco de dos energías contrarias pero colaboradoras (**5** y **6**), la conciencia anula todas las fronteras y en cualquier condición externa vive libre y activa. ... este Vórtice aprovecha el equilibrio dinámico entre el 6 y el 5 para practicar la comunión general del Trabajo del Grupo [humano]. ... la Energía que circula es una sola. Es precisamente el Vórtice 6.5 el que mantiene abiertas las vías de la comunión transversal.

A la luz proyectada por este Vórtice, el Sistema [humano] escribe su **Libro**, en el que se registran los acontecimientos más minuciosos y los pensamientos más elevados, las visiones, los sacrificios. En sus numerosas páginas se trazan y cambian las líneas de los diseños mentales del Grupo [humano] y los progresos hacia las Metas. ... Es como la Naturaleza. Todo lo que es signo puede y debe ser leído, mientras se modifica iluminando los otros signos y todas las páginas. Así, al leer, poco a poco el texto se simplifica, se vuelve más claro y finalmente transparente, y el Libro, las páginas, los signos se desvanecen...». (De «[Le Mete Lontane](#)», Meta 6.5)

*Leer* evaluando y valorando los signos dejados y los sueños acariciados en la Comunión del Trabajo común, permite *escribir* una nueva página en el *Libro de la Vida*; para nuestra [Acción en el Sistema Solar](#), esto significa extraer la esencia de la Obra a la luz del Trabajo realizado hasta ahora (1987→2025: Metas 1.1→6.4) y proyectar el Futuro con una conciencia renovada y un sentido sintético más profundo.

Reconocemos entonces que nuestra Misión principal, la visión y la intención de *atestiguar el Prototipo del Plan y del Orden planetario* a imitación de la estructura sistémica universal ([Siete Rayos](#)), es una página del Libro de la Vida *escrita* en y por el Corazón humano: el universo es un «sistema de corazones» y el reflejo y la construcción consciente de ese Modelo jerárquico en el Grupo humano, «con aliento unido y ritmo unificado» con los [Ritmos causales](#) del Cielo, graba en el Espacio y en las mentes humanas un nuevo camino de Reordenación planetaria.

La Hermandad jerárquica o *uni-versal*, Idea primaria de la Era de [Acuario](#) (¡y más allá!), se realiza a través de la *Ciencia de la Unión* (**5-6**), a través de la *Comunión del Trabajo* y la comprensión sintética de sus leyes: *penetrar y elaborar los Símbolos eternos del Uno-Infinito* conduce, grado a grado, a identificarse con esos Símbolos, a *ser* esos Símbolos vivientes, *¡a ser Uno en Comunión, a ser el Plan mismo!*<sup>4</sup>.

En el iniciático [06.04.2025](#), las [Musas áureas del Corazón común](#) se revelaron como el Símbolo más suave y poderoso del *Arte de la Unión*; ahora, en el 06.05.2026, desde ese Olimpo interior de Bien, de Belleza y Verdad, *procedemos conscientemente*, con ardor y precisión, a la *Identificación con el Plan mismo*, para mantener «abiertos los caminos de la comunión transversal», para ayudar a la unión entre [Humanidad-Jerarquía-Shamballa](#).

A partir de este año y Meta, dedicamos los restantes *diez pasos hacia la Síntesis* (→7.7-2035) a realizar cada vez más íntimamente la *identificación con el Plan de Poder, Amor y Luz*, a la afirmación en nosotros y a través de nosotros del Símbolo eterno de la [Cuarta Jerarquía humana](#) Señora de la Armonía, ese *Orden que restaurará el Plan en la Tierra*.

\*

La **Siembra Solar 2026** sigue entonces, «con aliento unido y ritmo unificado», las **pulsaciones cíclicas** causales y causantes del Gran Rito celeste (véase en la sección Documentos *Los Signos del Cielo año 2026 – Meta 6.5*) para atestiguar la Ciencia de la Unión, los *Símbolos eternos* de la **Humanidad Una Jerárquica**, Corazón palpitante de la Nueva Cultura y Civilización, de la Nueva Religión mundial y del Nuevo Orden planetario humano.

*Que Amor, Armonía, Servicio y Fuego sean nuestras armas eternas.*

*¡Que el Comando del Corazón Único resuene!*

\*

Pasemos ahora al plan ejecutivo y rítmico de la Siembra 2026-6.5, *entre el Cielo y la Tierra*, en orden cronológico, seguido de las hermosas *Efemérides 2026*:
